We go beyond

We're the UK's leading 'Microsoft Dynamics Gold Partner' for small to medium sized businesses. We've been recognised twice as a 'President's Club' member - which classifies top performing Microsoft Dynamics ERP partners worldwide.

We've achieved ISO 9001:2015 certification - the first partner to recognise the need for an accredited quality management system, in this market.

We're one of a small number of Microsoft directly managed partners, in the UK. This means that we work directly with Microsoft, with a dedicated Account Manager and Service Account Manager available to us.

Quality Matters

Quality is important to Azzure IT because we value our customers.

We strive to provide our customers with products and services which meet and even exceed their expectations.

We are committed to continuous improvement and have established a Quality Management System which provides a framework for measuring and improving our performance.

We're one of the first partners (if not the first), in our field, to achieve ISO 9001:2015 certification - the international standard that specifies requirements for a Quality Management System (QMS).
